

PARENT COMMENTS

Dear Parents:

Soon your daughter will be applying for admission to college. In order that we may better assist her in presenting herself as a **unique** individual we are asking **your** help. Please describe her strengths, special interests, achievements, challenges etc., as **you** view them. There may be many aspects about your daughter **outside the school environment** of which we are not aware. Please feel free to make your comments as brief or long as you wish. We do **not** plan to quote you, but possibly use this information in our own descriptions and recommendations. You may use the back of this page or attach additional pages. Thank you for your valuable input.
