### SHA ATHLETICS TRANSPORTATION WAIVER

The SHA Athletics Parent/Player Contract requires all student athletes to utilize the method of transportation provided by the Athletic Department to and from athletic contests taking place off campus.

Exceptions may be granted with the submission of this waiver signed and dated by the student athlete's parent or guardian. Alternate methods of transportation available to student athletes following the submission of this waiver are limited to:

- Student athlete with driver's license drives themselves and no passengers
- Student athlete is driven by an adult designated by the parent/guardian

It is important to note the parent or guardian may choose the method of transportation they deem best when the SHA Athletic Department does not provide transportation.

Please print and sign your name on the given lines below. By doing so you confirm you read, understand and agree to the terms of this waiver. After doing so, please utilize the back of this form to provide the details of the transportation your student athlete will utilize when choosing not to utilize SHA transportation.
